Dear Gideon -

I wanted to Take this moment to let you know how much I appreciate the work you and your competent crew have put together three beautiful projects at my home - the latest being a magnificent deck you constructed for me in just one day and a half, it all came together like magic. This deck will last a lifetime as it was put together with substance and lasting beauty!

The other two projects at my Son's home in Cold Spring Hills has turned his Home into the Best looking Home on Anondale Drive - Everyone who passes by stops to admire your work.

Cont'd -

the two Story extension you built, (as I watched you put it together) made me realize how we were fortunate to have a Contractor who "DOES IT RIGHT THE FIRST TIME"

If anyone wants to see for themselves pictures of progress of what you put together I will be happy to show them.

Your Work is Top Quality! and I mean it. Your crew is also dedicated to their jobs, and to you, so in closing I want to say Thank you for all the Great work you've done for us

Now I have to think about what else you can build for us!

thanks so much  
Yours truly Joe Borges Sr.
